

Playhouse
Parent and Childcare Centre

CENTRE INFORMATION

COMMITMENT TO QUALITY CARE:

Our Centre is committed to providing quality care, having regard to the needs of the children and providing that care at the most reasonable price possible. It is operated as a community service on a non-profit basis.

We have highly qualified, experienced staff, trained to cater for the physical, intellectual, social, emotional and spiritual development of your child. Our preschool program is based on the State Government's "Queensland Preschool Curriculum Guidelines".

Our program is based on the Early years Learning Framework, facilitating discovery and guided learning from observed needs, abilities and interests of individual children; an integrated multicultural environment, which builds self-esteem, and fosters good attitudes and values. The Centre has extensive, spacious facilities and flexible equipment both indoors and out. We also provide Kindergarten approved program for our Pre-School children.

WAITING LIST:

Playhouse charges a **non-refundable** fee of \$30 per family to have your child placed onto our waiting list. This is an administrative charge and does not guarantee placement.

OFFER OF PLACEMENT:

When Playhouse has an opening that suits your situation, you will be contacted by the Centre's Administration. He/she will discuss with you the available days and your official start date. Should you decide to accept the position, you will need to complete the enrolment form and pay a holding fee.

HOLDING FEE:

All enrolments **must** pay a holding fee of \$ 300 prior your child attendance week. This fee is **only refundable** upon attendance and will be deducted from the fees that fall due. The holding fee will be payable upon submission of your enrolment form. Should you fail to attend the Centre upon your official starting date, we will have no alternative but to terminate your child's enrolment and offer your place to one of the many children on our waiting list.

ORIENTATION:

We have an Orientation Policy where up to three free visits are recommended. During these visits, you are encouraged to stay with your child and follow the room's daily routine. This will greatly assist in settling your child into their new environment and give you familiarity with your child's daily activities and care. These orientation days can be as short or as long as you feel necessary. Always feel welcome to stay with your child or relax at Playhouse and take advantage of the facilities.

CENTRE DETAILS:

Age:

Children under 2 are cared for in our nursery section, comprising of Honey Ants and Tree Frogs. These rooms share an enclosed playground with both undercover and outdoor areas. Once children are 2 years of age, they transition into the "big yard", a large, outdoor play area utilized by Wallabies, Quokkas and Perenties. All children have age-appropriate programs with indoor and outdoor activities and story time. Music sessions for the 3-5 yr olds are held weekly by a professional music teacher.
